VIRTUAL WALLET STUDENT

VirtualWallet by PNC

We know that students have special financial needs.
Virtual Wallet Student has everything that's in Virtual Wallet,
plus a few extra things just for you to help your finances keep up with your classes.

SCHOOL PICTURE

Show your school spirit with a picture of your school on your Quick View and Calendar*

SCHOOL EVENTS

Your need for money changes throughout the school year: book money at the beginning of the semester, gas money to get home for breaks, snack money to fuel late-night studying before finals.

Keep your finances in sync with your major school events – your Calendar shows both!*

REIMBURSEMENTS

Your parents said they would reimburse you for the books you bought, but how will they know you're not just making up a number?

Ask them (or anyone else) to pay you back for things you've purchased by sending a Reimbursement request.

They'll get an email with a list of your selected purchases and they can send you money however they choose.

PARENT ALERTS

Do your parents want to make sure you always have enough money in your account?

Sign them up to receive an alert when your balance is low or when your account is overdrawn.
