CALENDAR

VirtualWallet by PNC

Your Calendar lets you organize your life—financially. It's a complete overview of your finances: what happened in the past, what you've scheduled for the future and what things look like today.

CALENDAR ELEMENTS

Need more details? Dig deeper with the Day and Week views.

Available Balance
Available balance for your Spend account—the amount you can withdraw immediately

Scheduled Deposit
Transfer that's been scheduled and will be deposited into your Spend account

Danger Day
Alert that you may be at risk of overdrawing your Spend account, if your

Available balance < Scheduled bill payments and transfers

Reserve Item
Due date for your reserve item, reminding you to move the money back to your Spend account to use the item

Past Transactions
Total deposits (top) and withdrawals (bottom) for that day

Uncashed Checks
Checks you've written and bill payments that are sent by a check we printed for you, but that haven't been cashed by the recipient yet

Bill Payments or Transfers
Online bill payment or transfer that's been scheduled once (top) and that's recurring (bottom)

Pre-Authorized Payment
Reminder of when a bill will be automatically withdrawn from your account by the payee

Payday
Reminder of when you're getting paid, used to calculate more accurate Danger Days

CALENDAR WITH CREDIT CARD

VirtualWallet by PNC

When you add your credit card to Virtual Wallet, your Calendar is turbocharged to show your credit card information too.

CREDIT CARD CALENDAR ELEMENTS

Balance
Current balance of your credit card, including all authorized or pending transactions

Statement Reminder
Reminder of when your credit card statement is created, so you know when you should be getting a bill

Past Transactions
Total purchases, payments and other transactions for your credit card that day

Payment Due
Reminder of when your credit card payment is due

It changes to show your current status when you've scheduled a payment or paid at least the minimum
