Tasks

This bar graph shows your activity over the last month.

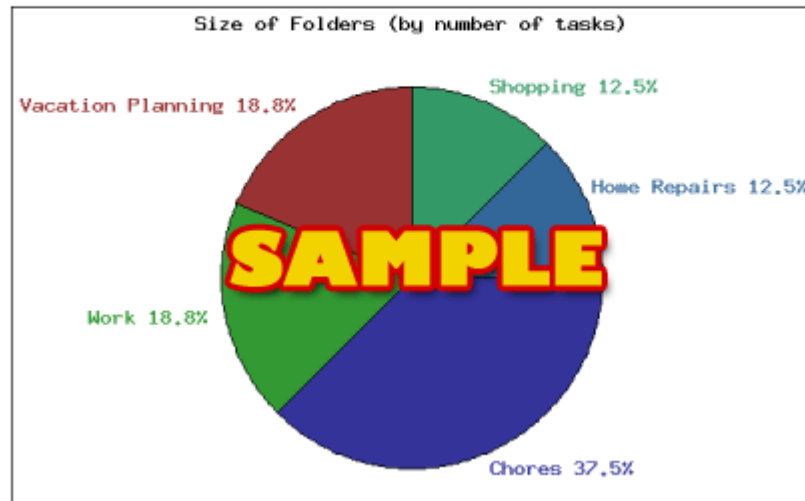

Any Folder

Note: we also can show dismissed tasks.

Folders

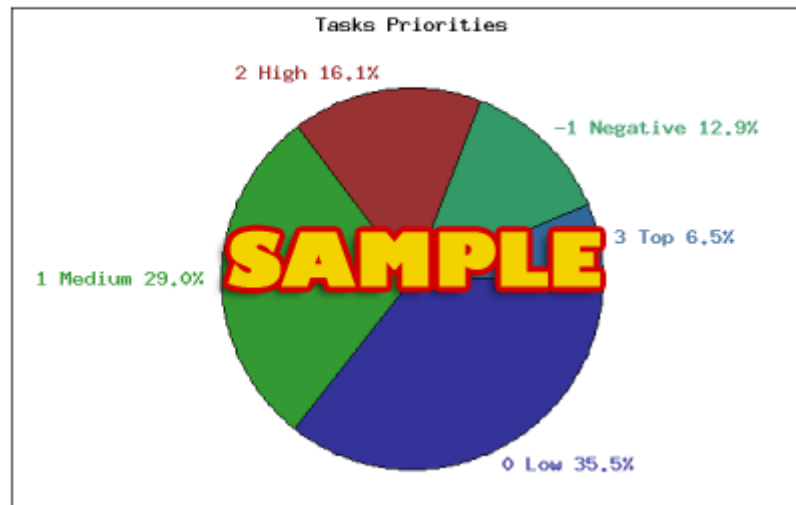

These pie charts show the relative importance of your folders based on the number of tasks that you have defined for each folder, and the length of each of those tasks.

Note: folders means tags.

Distribution

These pie charts shows how your tasks are distributed by priority, length and status.

Note: ???

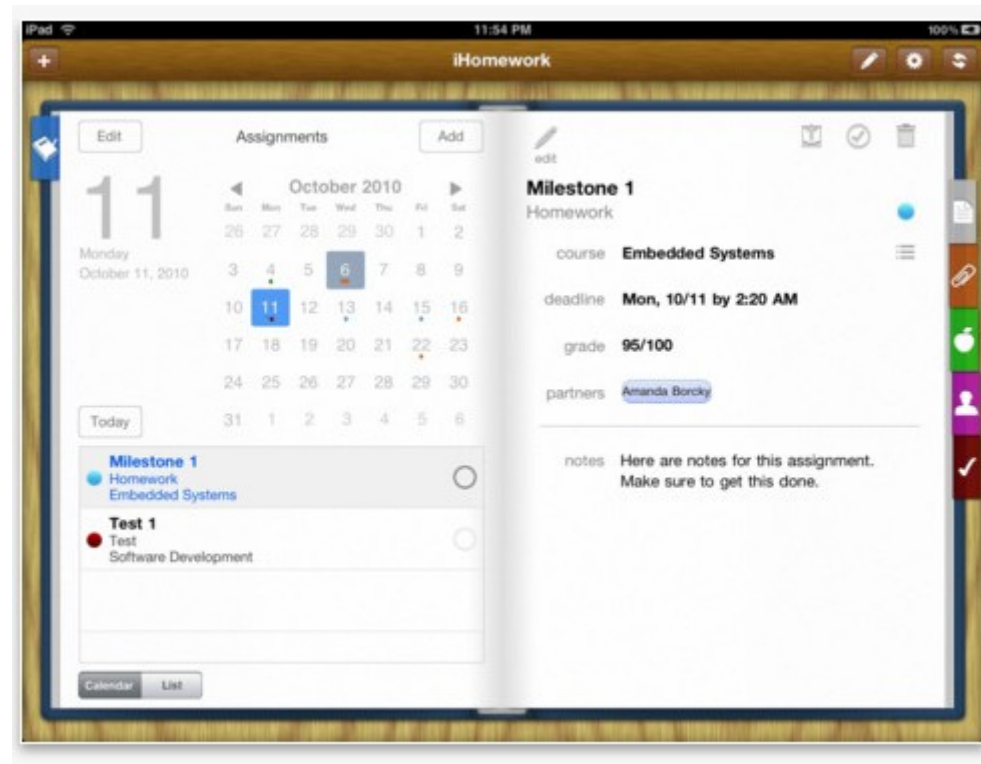

Calendar

The point is overview how many tasks start and/or due on specific date.

iStudiez

<http://istudentpro.com/>

The screenshot displays the iStudiez Pro application interface. At the top, the title bar shows "iStudiez Pro" and a "Sync Now" button. Below the title bar, there are navigation icons for "Instructors" and "Holidays", and a menu with "Overview", "Assignments", and "Planner". A secondary navigation bar includes "Day" and "Week" views, along with navigation arrows and a "Today" button.

The main content area is split into two columns: "Schedule" and "Assignments".

Schedule:

- Lecture, Diane Higgins**
