

Steps to Reproduce:

1. Create a fresh document
2. Using the Text Tool, enter the following text: م رفتم و دید ام را غبار غلیظی م شست
3. Select "Save As" from File menu.
4. Select Portable Document Format (PDF) and click [Save]
5. Ensure "Convert Texts to Paths" option is *not* ticked
6. Press [OK]
7. Open the saved file and compare with what Inkscape renders on its canvas, you will notice three of the letters are missing.

م رفتم و دید ام را غبار غلیظی م شست
