# Translating into Romanian

Ubuntu > Karmic (9,10) > Translations > "ubiquity-slideshow-ubuntu" source package > Template "ubiquity-slideshow-ubuntu-ubuntuone" >**Romanian (ro)**

Before translating, be sure to go through **Ubuntu Translators instructions** and **Romanian guidelines.**

▼ **Translation notes:** Please finalize the translations until 10.10.2010.

After that I will just blah and blah for many, many times.

The translations preview is generated at http://just.alink.com/page.html and report problems at bla@bla.com

mailinglist.

Many thanks for your effort and for this long description.

And new line.

Here.
