

Multi company errors

The screenshot shows the OpenERP Quotations module interface. The main window displays a "Request for Quotation /" form for "SL Remodeling". The form includes fields for Supplier, Supplier Reference, Pricelist, Order Date (07/27/2013), Source Document, Destination Warehouse, and Company. A table below the form lists products with columns for Product, Description, Measure, Unit Price, Taxes, and Subtotal. The total amount is 0.00. An "Access Denied" error dialog is overlaid on the form, stating: "The requested operation cannot be completed due to security restrictions. Please contact your system administrator." The dialog also includes the text "(Document type: Currency, Operation: read)".

The screenshot shows a PuTTY terminal window displaying a series of log messages. The messages are timestamped and include the following information: "2013-07-27 14:17:44,100 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:44,440 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:44,659 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"POST /web/menu/load_menuaction HTTP/1.1\" 200 -", "2013-07-27 14:17:44,851 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"GET /web/binary/image?model=res.partner&field=image_smallid=3&resize=ession_id=eadd5e9650c4ce0b91f31179aaf232 HTTP/1.1\" 200 -", "2013-07-27 14:17:44,880 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"GET /web/binary/image?model=res.partner&field=image_smallid=6&resize=ession_id=eadd5e9650c4ce0b91f31179aaf232 HTTP/1.1\" 200 -", "2013-07-27 14:17:44,890 13652 INFO * werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:44] \"GET /mail/static/src/img/mimetypes/print.png HTTP/1.1\" 200 -", "2013-07-27 14:17:45,250 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:45] \"POST /web/action/load HTTP/1.1\" 200 -", "2013-07-27 14:17:45,266 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:45] \"POST /web/menu/load_menuaction HTTP/1.1\" 200 -", "2013-07-27 14:17:45,630 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:45] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:45,649 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:45] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:46,098 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:46] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:46,116 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:46] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:46,157 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:46] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:46,197 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:46] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:46,591 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:46] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:47,299 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:47] \"POST /web/dataset/search_read HTTP/1.1\" 200 -", "2013-07-27 14:17:50,882 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:50] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:51,724 13652 INFO * werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:51] \"GET /web/static/src/img/form_sheetbg.png HTTP/1.1\" 200 -", "2013-07-27 14:17:51,751 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:51] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:52,003 13652 INFO slr_dev werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:52] \"POST /web/dataset/call_kw HTTP/1.1\" 200 -", "2013-07-27 14:17:52,053 13652 INFO * werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:52] \"GET /web/static/src/img/down-arrow.png HTTP/1.1\" 200 -", "2013-07-27 14:17:52,065 13652 INFO * werkzeug: 107.201.89.237 - - [27/Jul/2013 14:17:52] \"GET /web/static/src/img/ui/field_calendar.png HTTP/1.1\" 200 -", "2013-07-27 14:17:52,085 13652 WARNING slr_dev openerp.osv.orm: Access Denied by record rules for operation: read, uid: 4, model: res.currency", "2013-07-27 14:17:52,091 13652 ERROR slr_dev openerp.network: Access Denied", "The requested operation cannot be completed due to security restrictions.
