Import: Partners

1. Import a .CSV file

Select a .CSV file to import "Partners". If you need a sample of file to import, you should use the [export tool](#) with the "Import Compatible" option.

CSV File:

2. Check your file format

Name	Age	Nickname	Employee
Giacomo Guilizzon	34	Peldi	<input checked="" type="checkbox"/>
Guido Jack Guilizzoni	4	The Guids	<input type="checkbox"/>
Mariah Maclachlan	35	Patata	<input checked="" type="checkbox"/>
