

# **Laboratory Journal from 2003-04-22 to ...**

Jane Eager

May 3, 2008

# Index

Expression of Hagridin in *E. coli*, 3  
Transformation with HagIV plasmid,  
3

Lyophilization of A, 7  
Lyophilization of B, 7

Preparation of A, 5  
Preparation of B, 7  
Preparation of purified something, 5  
Preparation of RNase A S-peptide, 1-2,  
5  
subtilisin digest, 1-2, 5

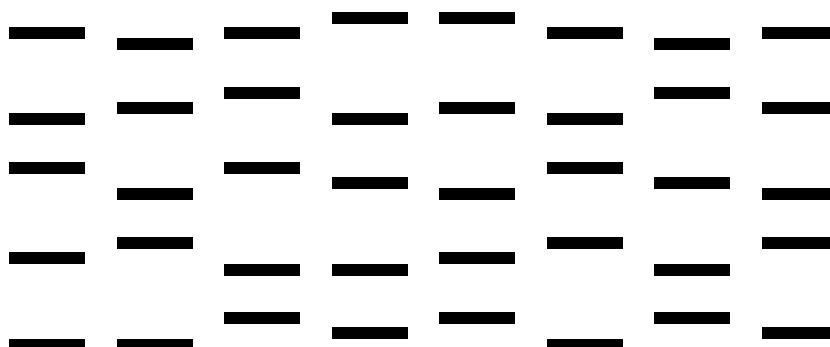

Figure 1: Some very interesting SDS gel

## 2.1 Transformation of hogwarts-auxotrophic E. coli with the HagIV plasmid

3

*Tuesday, April 22, 2003*

# **Wednesday, April 23, 2003**

## **1 Preparation of RNase A S-peptide**

### **1.1 Digestion using the new batch of Subtilisin**

## **2 Preparation of purified something**

## **3 Preparation of A**

A was prepared according to the protocol in Muller *et al.* and was temporarily stored in the freezer.

*Wednesday, April 23, 2003*

# **Thursday, April 24, 2003**

## **1 Preparation of B**

B was prepared according to the protocol by Smith and Fox.

## **2 Lyophilization of A and B**
