

## Channel administration

Up to [Singing & Dancing configuration](#)

Add or edit channels that will use collectors to gather and email specific sets of information from your site, to subscribed email addresses, at scheduled times.

### Existing channels

select	Title ▾	Collector (what)	Scheduler (when)
<input type="checkbox"/>	<input type="text" value="Newsletter"/> <a href="#">Newsletter</a>	<input type="text" value="Latest news"/> <a href="#">Latest news</a>	<input type="text" value="Weekly scheduler"/> <a href="#">Weekly scheduler</a>
<input type="checkbox"/>	<input type="text" value="ddda"/> <a href="#">ddda</a>	<input type="text" value="no value"/>	<input type="text" value="no value"/>
<input type="checkbox"/>	<input type="text" value="fbaäpihfäi pj"/> <a href="#">fbaäpihfäi pj</a>	<input type="text" value="no value"/>	<input type="text" value="no value"/>

### Add new channel

<b>Title ▾</b> <input type="text"/>	<b>Collector (what)</b> <input type="text" value="no value"/>	<b>Scheduler (when)</b> <input type="text" value="no value"/>
<input type="button" value="Add"/>		

Collector & Scheduler always in line with the title as above in the table of existing channels
