

London Street is very close to the centre of Reading, We're about a 10 minute walk from the station, and just around the corner from the Oracle Shopping Centre. London Street is also home to St Andrews Christian Bookshop and the RISC Fair Trade shop and café!

By train:

Reading has good rail connections to all major cities in the UK. There are frequent high-speed trains to and from London Paddington (25 minutes). The Latin Link Office is about 10 minutes walk away.

By road:

Reading has a rather complicated one-way system, so be careful if you're trying to work out a route into the centre by looking at a map!

Parking:

Though the main entrance to the offices is on London Street, the car park is located at the back of the building, **accessible from East Street**. We have eight parking spaces. Parking on London Street is restricted to one-hour stays.

Not the exit immediately outside the ticket barrier) Cross over the road and go down Blagrove Street, past the Town Hall and through the Market Place. Cross over and continue straight ahead up London Street.

London Street

You'll find us on the left at number 87.

Directions from M4: (East) Junction 10

Come off the M4 at Junction 10 and follow the A329M (signposted Reading). Take the Reading A4 exit, turning left off the roundabout onto London Road (A4), under the railway bridge and straight across at the main junction. Stay in the middle lane and continue for about 3/4 of a mile, past the Royal Berkshire Hospital and take a right turn into East Street at the Turks pub — it's quite small so careful you don't miss it or you'll get into the one way system!
Our car park is on the left, about 200m down, directly after the red brick building. You'll see the large 'Prophesy House' sign on the wall of our building.

(West) Junction 12

Come off the M4 at Junction 12 taking the left turn off the roundabout onto the A4 (Bath Road) towards Reading. Continue on the A4 for about four miles to the roundabout at the bottom of the hill, where you take the third exit and keep in the left lane down the hill as you join the dual carriageway but leave almost immediately. At the roundabout take the third exit into Mill Lane and at the lights turn right into London Street.

To reach our car park you will need to take the first left turning off London Street into South Street, then turn right into Sidmouth Street, turn right again at the end of the road onto London Road, then the first right by the Turks pub into East Street. Our car park is on the left, about 200m down, directly after the red brick building.
