

## What view would you like of the Fifa World Cup 2006?

Unless you're **satisfied** with the view on the left, join us for the **best World Cup action** around. We will have soccer on the **big screen** (for the enthusiastic), you can adore the young, fit and good looking **hunks running around** (for the non enthusiastic), or just to drink and make **lots of noise** (for the hooligan). Secondly, this is the last Ungana-house party with the current crew of **Andrea, Rudi, Ryan, and Toni**. Ryan is finally getting ready to leave this awesome part of the world and if you miss this party you might not be able to enjoy his DJ skills again.

The program includes:

- Three great soccer games projected to a big screen (**15h00 ENG-PAR, 18h00 TRI-SWE, 21h00 ARG-CIV**)
- **Hot Braai** (between 17h00 and 23h00 – bring meat)
- Groovy music and dancing lead by the famous **DJ Ryan** (between the games and after hours)

Join the international ambience and even bring your friends. Just let us know if you are coming by Friday evening and send us all the names and car registration numbers to make sure that the stadium guards will let you in. Driving instructions can be downloaded at [http://www.ungana-afrika.org/docs/ungana\\_map.pdf](http://www.ungana-afrika.org/docs/ungana_map.pdf)

See you on Saturday!
