Do You Want to be Heard?

The quest

Develop next-generation audio for one of the most advanced and most popular free computer operating systems in existance.

Showcase your talents!

Make yourself heard by creating the coolest sounds for the next release of the Ubuntu Linux operating system, used by millions across the globe.

Your imagination and skill!

Enter your audio to the Ubuntu development teams and the world-wide community of Ubuntu Linux users. Only your imagination and skill matter! Your contributions will make future Ubuntu Linux more pleasing to use.

Your contribution will be fully credited. As Ubuntu Linux is a free operating system, there are no money prizes, but you can take pride that you're a part of the next generation of computing revolution.

Are you up for the challenge?
